

HOUGHTON & HUNTINGDON RIDING CLUB COMMITTEE MEETING

A meeting of the Houghton & Huntingdon Riding Club (HHRC) was held on 11th January 2016. Main topics discussed were funds and Club identity.

Current membership receipts just about cover the Club's fixed costs. Arranging some events to raise funds is therefore vital. A number of possible events were discussed including the Dressage to Music qualifier in July and the Hunter Trial in October. Other events such as beach trip, Club camp, Le Trec, water play and socials would be explored. Routine training would continue.

The possibility of jackets and hoodies, embroidered with a Club logo, was explored as was buying small badges to help Club members identify each other at events and competitions. Designs and costs would be developed. Furthermore, the idea of having a Riding Club banner was discussed. This would have the Club name and possibly the logo as well. This could then be placed alongside the Club's team in the lorry park for example so that other members would be able to identify the team. Further details were required of where these banners are made, how much etc.

A provisional date of 9 Oct 16 was set for the Hunter Trial. More details will follow.

The next committee meeting will be on 14 Mar 16.
